9. Use Case Analysis

This distribution list appears designed for:

1. Market Manager Communications

- Primary audience is field Market Managers
- Direct communication channel for store operations

2. Cross-Functional Alignment

- Senior Directors across functions stay informed of field needs
- Enables coordination between HO strategy and field execution

3. Strategic Visibility

- VP+ executives monitor field operations
- Executive alignment on Market Manager initiatives

4. Project Coordination

- Group Directors coordinate specific initiatives
- Cross-functional project teams aligned with field

10. Recommendations

For Email Communications:

- **Primary Target:** Market Managers (396) and Senior Directors (347)
- **Secondary Audience:** Group Directors and VPs for awareness
- **Tone:** Balance field-focused content with strategic context

For Future List Management:

- Consider segmentation by function for targeted communications
- Create sub-lists for:
  - Market Managers only (field operations)
  - Senior Director+ (strategic planning)
  - Cross-functional project teams

For Access Control:

Current inclusion criteria are:

- Job Code US-100015099 **OR**
- Title contains "Senior Director" **OR**
- Executive stakeholder (VP+) in operations/supply chain/merchandising chains **OR**

- Group Director in supporting functions
